

Precept for Charley Parish 2018/19

The activities undertaken by a Parish Council for the benefit of its community are funded by the Parish Council Precept which is a tax charged on each property within the Parish. This is shown on your Council Tax Bill. The Precept is agreed by the council's members each January when discussing the expected expenditure and income for the following financial year. The agreed sum is collected by the District Council as part of the Council Tax and passed onto the Parish Council.

On 3rd January 2018 the Parish Council agreed a Precept of £4000 for 2018/19
